## SUMMARY

As a university student seeking employment, I am eager to learn new skills, reliable, motivated, and capable of handling multiple tasks. I am enthusiastic about contributing to and learning from the field I am working in. I am glad to have started my studies at this university to acquire the knowledge required to kickstart my career as a software developer.

## TRAINING / COURSES

Cybersecurity  
pirple.com

Piscine completed  
successfully  
42 Wolfsburg

## STRENGTHS

Quick learner  
Because of my passion and interest in this field, I put a lot of effort into learning new technologies and things from people around me. I'm not afraid to ask questions.

## HACKATHON

Successful participation in hackathon event for BUSCH-JAEGER  
I participated in a hackathon for Busch-Jaeger to develop a market intelligence approach aimed at delivering information about market size, market development, etc.
